By train

Train from Enschede Central Station:

- Use stop train to Hengelo – Almelo – etc.
- Exit at first stop (Enschede Drienerloo)
- Leave platform and turn right, walk towards the road (Capitool)
- Follow this road until the roundabout with the little cars in the middle
- The main building is at your right hand just before the roundabout

Train from Hengelo Central Station:

- Use stop train to Enschede Central Station
- Exit at first stop (Enschede Drienerloo)
- Leave platform by stairs and go to your right into the tunnel, underneath the railway
- Walk towards the road (Capitool) and follow this road to your right hand roundabout with the little cars in the middle
- The main building is at your right hand just before the roundabout
